EDGE

Employees Do Give & Empower

What is EDGE?

EDGE is our employee giving philanthropic and engagement program. Since 1989, Ingalls employees have contributed nearly \$4 million to support Ingalls Development Foundation (IDF) events, hospital programs and scholarships. Donations also support important clinical programs including oncology, our cardiology and retina care, the Healthy Baby Network and much more. Our EDGE employee giving philanthropic and engagement program is overseen by a dedicated committee of active EDGE members working in partnership with IDF.

What's the benefit of EDGE?

The most valuable benefit of EDGE is raising funds from our family, for our family.

As an EDGE member, you help fund – and qualify yourself to **WIN** – a monthly cash drawing by contributing a minimum of \$4 per paycheck to EDGE. You are also qualified to **WIN** the **Jackpot Drawing** pulled **LIVE** on stage prior to IDF's annual Benefit Gala.

How do I join EDGE?

EDGE contributions can be made via a one-time donation or payroll deduction. Simply complete an enrollment form (on reverse side) and return it to the Ingalls Development Foundation at maria.perez2@uchicagomedicine.org.

If I have questions, who should I contact?

If you have any questions regarding EDGE, please contact Maria Perez at 708-915-6169 or maria.perez2@uchicagomedicine.org.

Join today and give Ingalls an EDGE! Raising funds from our family for our family!

EDGE is Ingalls' employee giving group which uses employee donations to directly contribute to our scholarship fund for employees, their children and young scholars in the local community. Donations also support important Ingalls programs and services like cancer, heart and retina care, the Healthy Baby Network and much, much more.

Say *Yes!* Donating to EDGE is easy, fun and beneficial to all.

When you enroll in EDGE, by making a minimum financial donation of \$4 per pay period, you become eligible to win the **monthly \$250 drawing and the grand prize drawing** at IDF annual Benefit Gala!
