INGALLS OPEN GOLF OUTING SPONSORSHIP, BRANDING & RECOGNITION OPPORTUNITIES

GENEROSITY HELPS HEAL.

Help transform community health in the Southland
Expand Access to Care.
Build Community.
Enhance our Campus.
Ingalls Development Foundation hosts three major special events annually to address the unmet needs, health and social challenges of thousands of children and adults in the Southland as well as UChicago Medicine Ingalls Memorial’s healthcare heroes, staff, patients and their families.

Your generosity helps heal. Your generosity changes and improves lives.
Your generosity transforms community health.

When you support UChicago Medicine Ingalls Memorial Hospital, you advance high quality equitable healthcare in the Southland. As the first hospital in the Southland, founded in 1923, we wrote the book on quality patient care. In the century since then, we’ve continued to be the leader in addressing the healthcare needs of our Southland communities. Your investments bring additional impact to employees, families and residents through clinical focused programs, services and activities.

Our events are wonderful opportunities to unite community and business leaders, healthcare professionals, supporters, and community at large behind our mission to transform community health. Through event sponsorship, your business can align with the premiere hospital in the Southland in a very public way.

Enhance your company’s visibility through logo inclusion, social media, event day banners, recognition in publications and various other promotional opportunities. Network and engage potential business opportunities, customers, and employees. Reward senior staff for their hard work and diligence.
