The Odyssey

Tinley Park, IL

Promise Of Hope Fashion Reveal

Celebrating more than a quarter-century of support.

IMPACT:

Annual fundraising event raising awareness and funding to access world class cancer clinical trials close to home in a community hospital setting. Proceeds benefit The UChicago Medicine Ingalls Memorial world-renowned **Comprehensive Community Based Cancer Research and Oncology Program**. You are impacting life-changing therapies for cancer patients in the Southland through clinical trials, integrative wellness, genetics screening, food insecurity and patient financial counseling for current and future cancer patients.

Value to your company

Average attendance is 450+

- **Demonstrate your commitment to transforming community health in Chicago Southland with visibility and impact**
- **Leverage increased brand awareness and good will with your customers and the community**
- **Expand market reach and expose your brand to decision makers and business owners**
